

User Manual for Online Game Store

Online Game Store is meant to be a platform to provide service to all the gamers and their needs. It is built by the games. For the website to be as user-friendly, and provide services to new users, this user manual is created to help those new users to the site.

The website can be accessed by users by following the link:

<http://localhost/GameStore/index.php>

What the users will see as the main default page?

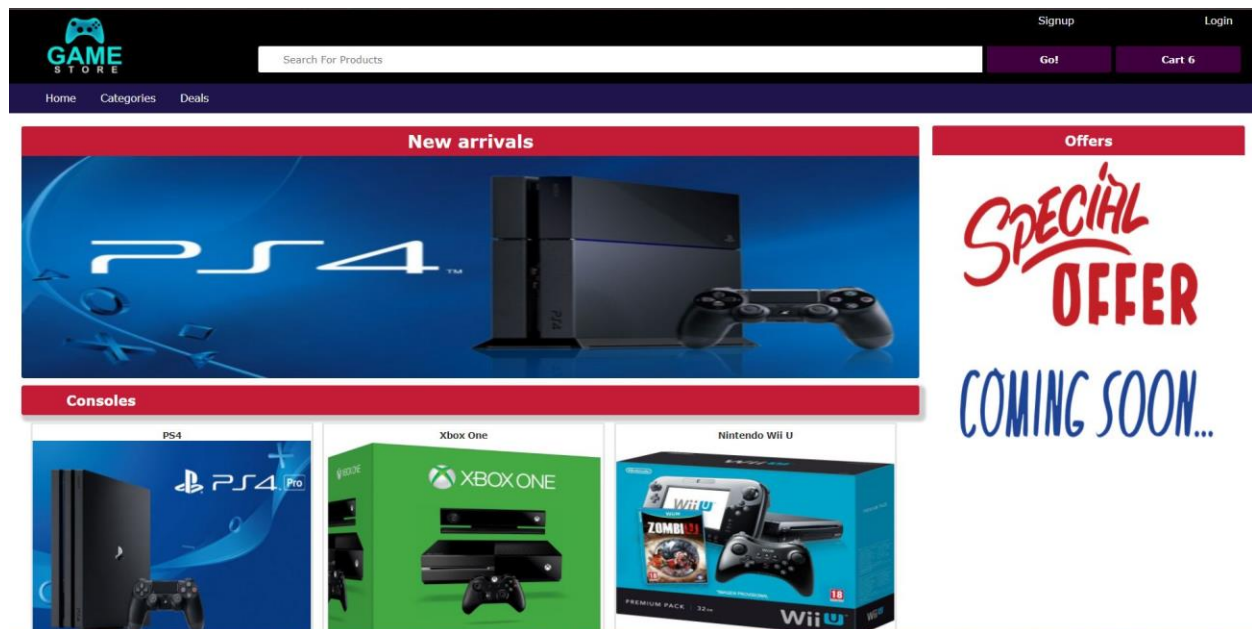

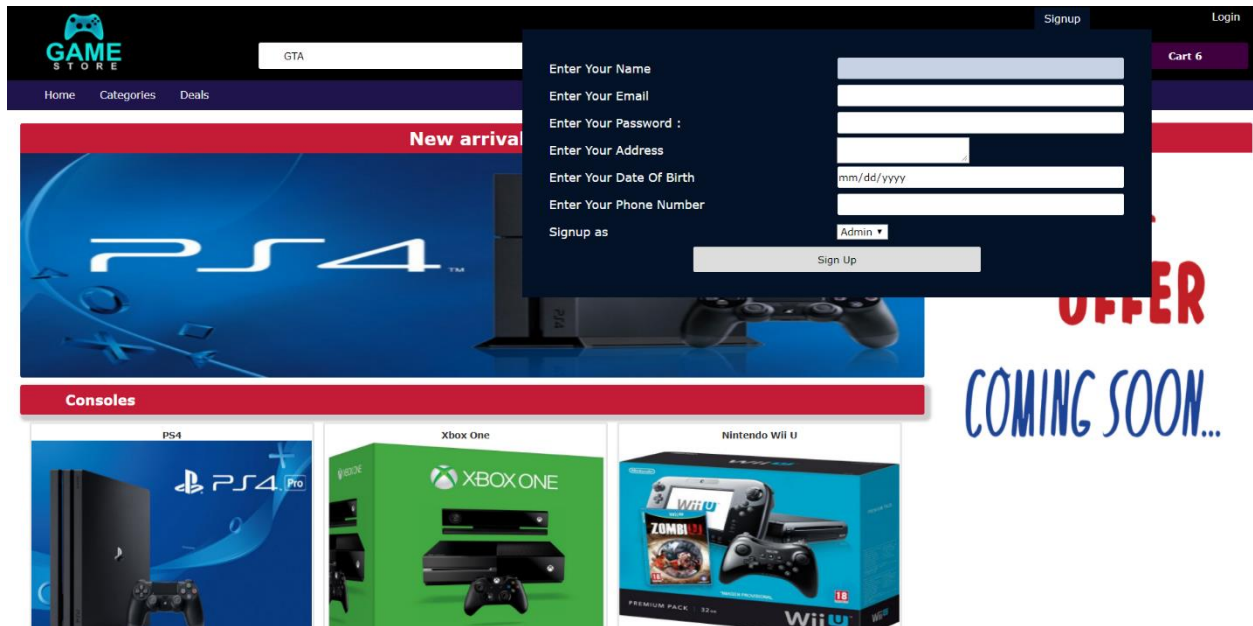

Figure 1 Home

This is the homepage that the users will first see when they open the website.

How can the users register?

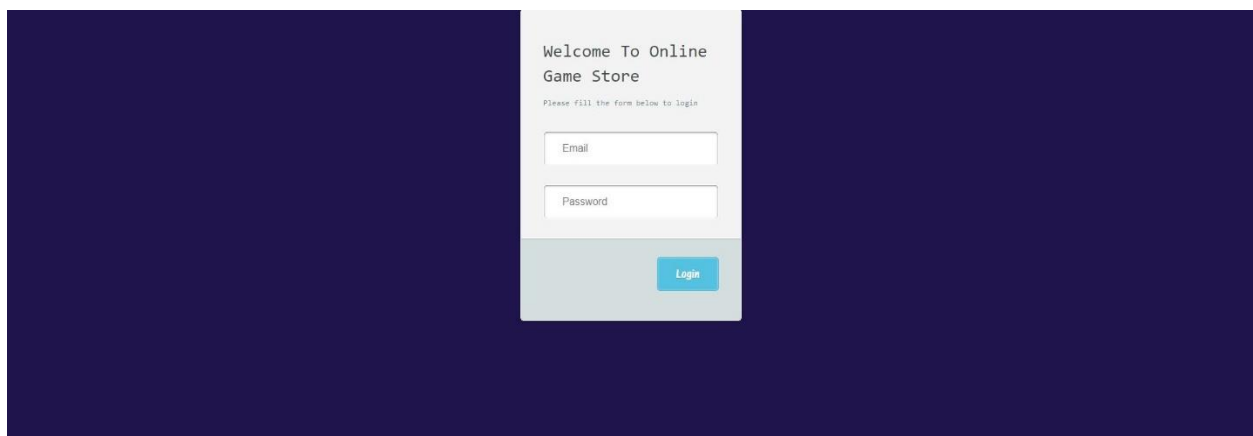

The screenshot shows the 'GAME STORE' website with a dark blue header. A search bar contains 'GTA'. Navigation links include 'Home', 'Categories', and 'Deals'. A 'Signup' button is in the top right, next to a 'Login' link and a 'Cart 6' indicator. A large 'New arrival' banner features a PS4 console. Below it, a 'Consoles' section displays PS4, Xbox One, and Nintendo Wii U. A dark blue signup form is overlaid on the right, containing fields for 'Enter Your Name', 'Enter Your Email', 'Enter Your Password', 'Enter Your Address', 'Enter Your Date Of Birth' (with a 'mm/dd/yyyy' placeholder), 'Enter Your Phone Number', and a 'Signup as' dropdown menu set to 'Admin'. A 'Sign Up' button is at the bottom of the form. A red 'OFFER' banner and blue 'COMING SOON...' text are partially visible on the right.

Figure 2 Register

When the users hover over the “Signup” button, they will be shown a signup form to register from which they can register.

How can the users login?

The screenshot shows the 'GAME STORE' website with a dark blue background. A light gray login form is centered, featuring the text 'Welcome To Online Game Store' and 'Please fill the form below to login'. It includes input fields for 'Email' and 'Password', and a blue 'Login' button at the bottom.
